## **Circular to Shareholders, Clerks & Tenants :**

### **Selborne Lift Service**

An unforeseen problem has occurred with the Selborne Lift Service, as a result all lifts on the Selborne side of the building are currently out of service.

Just before midnight last night, an electrical cable failed leaving no power to the Selborne lift motor room. Our electricians have found the cause of the problem, however the repair is quite involved and the problem may not be rectified today. We expect that the lifts will be returned to normal service by tomorrow however, if this position changes we will communicate that information to you as soon as it becomes available.

To access the Selborne Floors, please use the Wentworth lifts and walk through the corridors. CCL's offices can be accessed via the front fire stairs which are open on the concourse or via Lockhart Chambers.

We apologise for the inconvenience but please be assured that the repairs are being undertaken as a matter of urgency.

Regards,

DEBBIE GEORGE
