**CIRCULAR TO ALL SHAREHOLDERS**  
**STAGE 9.5 CONSTRUCTION WORK**  
**POWER SHUTDOWN**

I refer to my circular of 16 March 2009, which describes the work planned to be carried out before the end of the June.

There will be a **complete electrical shutdown to Lockhart Chambers on Saturday 13 June 2009 - 6am to 4pm**. In addition to the complete electrical shutdown, there will be extended interruptions to lift service and air conditioning until mid morning Sunday 14 June.

In the interests of safety, no access to Lockhart Chambers will be permitted under any circumstances during the shutdown.

It is strongly recommended that all electrical devices, especially laptops and personal computers are switched off on the Friday evening preceding the respective shutdown. Failure to turn off electrical devices may result in their damage.

If you have any questions, please contact Lee Albert of our office on 9231 3644 or at [lalbert@counselschambers.com.au](mailto:lalbert@counselschambers.com.au)
