POLICY DOCUMENT - NETWORK (DATA & VOIP) **CONNECTION TERMS AND CONDITIONS**

I am directed by the Board of Directors of Counsel's Chambers Limited to forward the attached Policy Document for your information and acceptance.

Your attention is invited to Clause 1 of the Policy Document which sets out the purpose and background for formulation of the Policy Document.

You will appreciate that it is necessary that guidelines be established and maintained for the mutual benefit of the members. You will also appreciate that it is necessary for all members to cooperate in observing the terms and conditions set out in the Policy Document in furtherance of what is very much a common enterprise. The terms and conditions constitute the terms and conditions upon which CCL is prepared to supply or continue to supply the Network (Data/VoIP) services. They are, of course, designed to comply with the requirements of the supplier of hardware and software.

If you feel that you are not prepared to accept the Policy Document and observe its content, would you please so advise me by the 18th day of December 2009. If I do not hear from you by the said date or if you elect to use the Network (Data/VoIP) services after that date, you will be taken to have accepted the terms and conditions set out in the Policy Document and they will be binding upon you.

If you have any questions please do not hesitate to contact me.

Yours sincerely
